Please read the following carefully regarding your right to an interim withdrawal from your Vacation & Holiday account:

1. Only one interim withdrawal request is permitted during each calendar year.
2. There is a minimum of seven days from the date funds are deposited into the Trust Fund until they are available for withdrawal.
3. Your interim withdrawal will include the entire balance of your account available on the date of issue.
4. If your address on this form is different from your address on file at the Trust Fund office, your address will be changed for all five Southern California Pipe Trades trust funds to the address on this form.
5. If your request for interim withdrawal is in proper order, the disbursement will be issued by the Trust Fund office within 30 days of receipt of the request, except from November 20th through December 10th and March 20th through April 10th.
6. Each year, the surplus income of the plan is allocated to participants' accounts based upon each account balance as of November 30th, including contributions for hours worked through October 31st (if received). Therefore, interim withdrawals will affect the amount of surplus income allocated to your account.
